Sir,

In submitting herewith the Kannada file ending with the Koppa Amildars report No. 335 dated the 6th instant together with an estimate for Rs. 300/- for repairing the Harihar Matt in the Koppa Taluk, I have the honor to state that during my tour in the Koppa Taluk in the latter part of January 1908, I inspected the Matt in question, and found that the buildings was in considerable disrepair, and that it was apprehended that it might come down in the next monsoon, if some urgent repairs are not immediately carried out to it. I accordingly got an estimate prepared for Rs. 300/- providing only for the urgent repairs required to keep the building intact.

2. The Amildar reports that a sum of Rs. 1594-7-6 is available at the credit of the institution at the end of January 1908, and that a savings of Rs. 320-10-9 may accrue from the receipts of the current official year.

3. Under the above circumstances, I beg to request that the estimate for Rs. 300/- herewith submitted may be kindly sactioned, the charge being met from the funds available at the credit of the institution. Considering the urgency of

of the work, the Amildar has been directed to start it and push on with it in anticipation of the sanction of Government.

I have the honor to be,

Sir,

Your most obedient servant,

for Deputy Commissioner.
